HOLLY GROVE SENIOR CITIZENS CLUB

The Holly Grove Senior Citizens Club met Wednesday, August 15, 2018 with 16 members and guests.

Our guest speaker was Karina Camp from SHIIP, Senior Health Insurance Information Program which is a Division of the North Carolina Department of Insurance.

Karina's very informative program explained many of the changes coming to Medicare in January, 2019. One of the major changes that will affect us is that the "medi-gap" that applies to our prescription drugs will end on that date. It will be a great savings to many people. We also learned that *everyone* will be receiving a new Medicare Card by April of 2019.

Mrs. Camp also explained the SHIIP program is open to everyone in Davidson County to help navigate the Medicare system. Karina and the other counselors will meet with you individually when you begin to receive Medicare or when you need to make changes. They will explain all the plans available and help you decide which plan will suit your individual needs.

You can make an appointment with Mrs. Camp or another counselor at the SHIIP program through Davidson County Medical Ministries. They will be happy to meet with you at a place and time convenient for both you.

Jan Watkins presented a devotional on confidence and self-esteem.

We made clarification of what supplies were available for refreshment. You may bring your own paper products, but there are also some available for our use at Mr. Tabor if you need them.

Myra Beck presented the treasures report and suggested that we spend some of the money available on our group. We will give our suggestions at the September meeting.

We sang Happy Birthday to Virginia Everhart and Sandra Burcham.

We will meet again September 19th. Minnie Conrad and Carolina Conrad will be our hostesses.

SEPTEMBER IS HEALTHY AGING MONTH

FOLLOW THESE TIPS TO STAY AT YOUR PEAK!

1. Get moving - Exercise regularly to maintain a healthy body and brain.
2. Stay social - Take a class, volunteer, play games, see old friends, and make new ones.
3. Bulk up - Eat beans and other high-fiber foods for digestive and heart health.
4. Stay balanced- Practice yoga or tai chi to improve agility and prevent falls.
5. Take a hike - Brisk daily walks this September can bolster both your heart and lungs.
6. Sleep well - Stick to a sleep schedule of the same bedtime and wake up time, even on the weekends.
7. Don't forget - To aid your memory, make lists, follow routines, slow down, and organize.

If you are interested in trying a fitness class of any type at the YMCA free of charge, please email jen@lexingtonymca.com or call Jen to make a reservation. You can view our schedule on our website at www.lexingtonymca.com or Jen can make class recommendations for you.

If you use artificial flower arrangements in the cemetery, please consider taping a name to the bottom of the arrangement. We frequently find them blown across the cemetery, near the road, and toward the parking lot, but if we know where it goes, we'll be glad to put it back!

Christmas is just around the corner! The Parish Ed Committee is doing a “casting call” for all children that want to participate in the Christmas program. If you have a friend from school, day care, or extended family that would want to be part of the greatest story ever told, please let one of us know! Sign-up forms are located in the narthex.

Trivia, Trivia, Trivia

Fun Facts about September

September, the ninth month of the year, is one of four months that contain 30 days. September begins on the same day of the week as December, and no other month ends on the same day as September.

In Latin, *septem* means 'seven.' September was the seventh month of the Roman calendar until 46 BC, when the first month of the year was changed from March to January.

September starts the academic year in many countries in the Northern Hemisphere, but I know a few states in the US that start in August.

American Football starts the collegiate and professional seasons in September. (Go Packers!)

Those born in early to mid-September are under the sign of Virgo, and those born in the later part of the month are born under Libra.

September's birthstone is the sapphire, and the birth flowers are the forget-me-not, morning glory, and aster.

September is also '**Be Kind to Editors and Writers Month.**'
