# Holly Grove Lutheran Church Cemetery Association Rules and Regulations

Effective: August 13, 2012  
Revised: February 19, 2015

Holly Grove Evangelical Lutheran Church, hereinafter referred to as HGLC, shall have a HGLC Cemetery Association. A Cemetery Committee shall be appointed annually by the Church Council for the HGLC Cemetery Association.

Membership in the association shall be open to all members (active and inactive) of HGLC as defined in the church constitution. A non-member spouse and dependent children may continue membership following the death of a member spouse by continuing to pay the annual dues.

Each family (parents and dependent children) or individual, upon paying the annual maintenance and upkeep fee for each calendar year, or who have a paid-up membership, shall be a member of the association. Former members who contribute the annual maintenance and upkeep dues, or who have a paid-up membership, are also members of the association.

New families or individual members of the church automatically become members of the association when they join HGLC as an active member. Such persons are exempt from the fee for the year in which they join HGLC. To retain their membership, they must begin paying the annual fee the following calendar year.

## **A. Fee Schedule – HGLC Cemetery Association Members:**

1. Association members, with the exception of those with paid-up memberships, will pay an annual maintenance and upkeep fee (currently Twenty Dollars, \$20), due on January 1 of each year.
2. Members who fail to pay dues for two consecutive years will become a non-member of the Association and will be dropped from the membership roll effective January 1 of the 3<sup>rd</sup> year.
3. One who has been dropped from membership in the Association may re-join at any time prior to death upon payment of the annual maintenance and upkeep fee in effect at that time.
4. Effective October 1, 2012 new paid-up memberships are no longer available.

**B. Fee Schedule – Non-Members of the HGLC Cemetery Association when death occurs:**

1. A plot may be purchased for an individual who was a member of HGLC at time of death but was not a member of the Cemetery Association. The assessed fee shall be Five Hundred Dollars (\$500) for each burial.
2. A plot may be purchased for an individual who was a former member of HGLC and was not a member of the Cemetery Association. The assessed fee shall be One-Thousand Dollars (\$1,000) for each burial.
3. A plot may be purchased for an individual who has never held a membership with HGLC. The assessed fee shall be One-Thousand Five-Hundred Dollars (\$1,500) for each burial; however, Council will be involved in any decision to sell a plot to a non-member.

**C. Organization and Duties of Cemetery Committee:**

1. The Cemetery Committee shall manage the HGLC Cemetery on behalf of the HGLC Cemetery Association and HGLC.
2. The Cemetery Committee shall have its own Secretary and Treasurer from its membership. The Treasurer shall collect money to carry on the Cemetery's work.
3. In December of each year the Treasurer of the committee shall send a request to each HGLC Cemetery Association member, excluding paid-up members, for their payment of the annual fee for the maintenance and upkeep of the cemetery for the upcoming calendar year. Members who have not paid the annual fee by June of each year shall be sent a second reminder.
4. Paid-up members may be asked to make a voluntary contribution if income to the cemetery fund is less than expenses in a given year.
5. The committee shall lay off the cemetery in family plots and properly mark the same.
6. The committee shall supervise the opening of every new grave in the cemetery.
7. New family plots will be assigned by the committee as they are needed.
8. The committee shall have authority to employ a caretaker for the cemetery.
9. Cemetery committee members will remove flowers from new burials after two (2) weeks.

**D. Family Responsibilities:**

1. Each family concerned shall arrange for their own gravediggers through the funeral home service of their choice.
2. Each family shall be responsible within one (1) year of death for seeing that the grave is properly identified by a permanent marker with the engraved name and date of birth and death.

**E. Cemetery Requirements/Restrictions:**

1. There shall be no above ground burials in either cemetery. Burial vaults will be required for all below ground burials. Burial vaults will not be required for urns.
2. There shall be no curbing or anything to interfere with mowing.
3. **Old Cemetery:** All headstones shall have a four-inch (4") concrete base around them. Footstones will be flush with the ground.
4. **New Cemetery:** All headstones and markers shall be flat to the ground for ease of mowing and maintenance of the cemetery. Headstones shall not exceed 84"X24" with a concrete border around the base which may extend up to 4" from each side for a double plot. Single plots shall not exceed 36"X24" with a concrete border around base which may extend up to 4" from each side.

**F. Columbarium Requirement/Restrictions:**

1. A member of the Cemetery Association may be buried in the columbarium at a cost of Seven-Hundred Fifty Dollars (\$750) for each niche. This may be paid in advance to reserve a niche.

A former member of the church who is not a member of the Association may purchase a niche at a cost of One-Thousand Seven-Hundred Fifty Dollars (\$1,750).

2. Each columbarium niche will be for 2 people of the same family.
3. There will be no permanent flowers at individual niches of the columbarium. Flowers may be left at the columbarium immediately following a funeral and will be removed after two (2) weeks.

## Funeral Food Policy

In the constitution of Holly Grove it says (C4.02) "To participate in God's mission, this congregation as a part of the church shall: (e.) Nurture its members in the word of God so as to grow in faith and hope and love, to see daily life as the primary setting for the exercise of their Christian calling, and to use the gifts of the Spirit for their life together and for their calling in the world."

One of the ways this congregation lives out this responsibility is through responding to families at the time of death. In January 2018, this policy will be revised with the hope that this congregation will better serve its members at the time of crisis. A meal will be provided for a family if a family member of Holly Grove dies, a member of a member's household dies, or if a funeral is held at Holly Grove and the family requests a meal.

The Pastor or Chairperson of the Cemetery Committee will notify the initiator of the Food Policy as soon as possible after a death has occurred. She will then call the four group leaders and tell them the details concerning the funeral arrangements and the family's desire concerning the meal such as when and where the meal will be served, the number to prepare for and what services will be needed from the group.

Southern Lunch has agreed to work with us on providing the meal. The initiator will discuss the menu with the family and then call Southern Lunch to order what is needed. A meat, two vegetables, rolls, a dessert and drinks will be provided. Choices can be made from what they offer on their menu. In the event Southern Lunch is closed, arrangements will be made somewhere else.

The group leaders will ask their members for donations of five to 10 dollars (\$5.00-\$10.00) a year if needed to help cover the cost of the meal. This money will be kept in the WELCA. The WELCA will be billed for the meal and it will be paid for by the WELCA treasurer. Anyone else wishing to contribute to this cause can make donations to the WELCA. This can be a huge expense so donations are gratefully appreciated!

The group leaders will make sure that the members of her team are aware of the death. Help will be needed to set up tables for the meal, deliver the food from the restaurant, serve the meal, and clean up afterwards. Group leaders will try to rotate people on their list to help based on who is available and able to help in each situation. Everyone is encouraged to remember the family during this time with your calls, visits and prayers.

Occasionally there are unusual circumstances involving funeral arrangements and providing meals. In the event of these circumstances the initiator and the group leaders may make changes as they feel necessary to best meet the needs of the family at the time.

## Duties of the Group Leader

- Group leaders will be notified by the coordinator when a death occurs and the food policy is in effect. She will give you all the details regarding the arrangements and what will be needed from your group at this time. You will need to be sure this information is passed on to your team members.
- Someone will need to pick up the food at the restaurant and deliver it to the location where the meal is being served. This will usually be at the church fellowship hall. One of the groups will be responsible for this and we will alternate the four (4) groups with each event. This group will also make sure paper products are available at the church, get the ice and provide drinks.
- Each group leader will need to get one person to help set up tables, serve the meal and clean up afterwards. If there are times when you do not have anyone available to help serve, check with one of the other groups leaders to see if they can get extra help if needed.
- Group leaders will collect five to ten dollars (\$5.00-\$10.00) a year as needed to help cover the cost of these meals. This money will be turned into the WELCA treasury and the treasurer will pay for the meal and keep up with this fund. When funds are getting low she will notify the group leaders to collect money and reimburse the treasurer.
