Reverend Smith  
Holly Grove Lutheran Church  
212 Holly Grove Lutheran Church Rd  
Lexington, NC 27292

Dear Reverend Smith,

As you know, our community has many families in need of support and assistance – both monetarily and emotionally. Here at Davis-Townsend Elementary, these families include many of our students. As a Title I school with 42.59% of our students receiving free or reduced lunch, we are seeing the effects of the struggles at home on the learning of our students. Sadly, as our students become needier, our support staff becomes thinner. Our lower grade classes share teacher assistants and our upper grade classes have no teacher assistant help at all. I know that our Lexington community has churches (such as yours) that strive to spread God's love to all families in this area. Therefore, I am reaching out with an opportunity for your church members to have a positive impact on our community by volunteering with our DT students. We are in need of volunteers to be lunch buddy mentors, reading buddies, and/or homework helpers. One specific area of need that we have is male mentors for our upper grades students who have no positive male role models in their lives.

Could you please share this volunteer opportunity with your congregation? Any church member who is interested in volunteering should please call me (Natasha Bumgarner) at Davis-Townsend (336-249-9880) or email me at [nbumgarner@davidson.k12.nc.us](mailto:nbumgarner@davidson.k12.nc.us). I will then lead them through the next steps of how we can get them started on this journey of impacting the life of a child. I genuinely appreciate your time and thank you in advance for your help.

Sincerely,

Natasha Bumgarner

## **HOLLY GROVE SENIOR CITIZENS CLUB**

The Holly Grove Senior Citizens Club met March 20<sup>th</sup> with 15 members and 1 guest in attendance.

Pastors Darrell Sluder from Mt. Tabor U.C. C. and Matthew Smith from Holly Grove Lutheran Church were our hosts.

Pastor Smith led the devotions with passages from the book of Mark, chapter 8. At the conclusion of the devotions Pastor Sluder introduced our guest speaker. We were happy to welcome retired Minister, Galen Hahn to our group.

Reverend Hahn is currently residing at Piedmont Center but is originally from Frederick, Maryland. He is a graduate of Catawba College and received his Masters of Divinity from Yale University.

Reverend Hahn has recently released his first book entitled "Finding My Field". It tells of his early years of attending summer camp and the beginnings of his being pulled towards the Ministry. During his teenage years spent as camp counselor he became aware of the migrant population and felt that his work with them led him to become a minister.

In part his book he tells of his camp ministry to children where race, poverty and justice were issues. These issues stayed with him throughout his life. "Finding My Field" is available on Amazon. We wish to thank Reverend Hahn for sharing his stories with our group.

After discussing our cares and concerns from around the community, Myra Beck gave the Treasury report.

We have 3 birthdays before the next meeting; Pat Hedrick, Nancy Curry and Becky Weisner. Happy Birthday ladies!

We enjoyed our refreshments while catching up on what has been happening in each other's lives.

Our next meeting will be April 17<sup>th</sup> with Malinda Roof and Becky Weisner as our hostesses.

# ELCA presiding bishop pastoral message on Christchurch mosque shootings

3/15/2019 12:55:00 PM

Dear Church,

Today we awoke to the devastating news of the mass shootings at two mosques in Christchurch, New Zealand. We join in mourning for the people who were killed and wounded, for their families, for the first responders and grief counselors, and for all whose lives have been shattered today. We know that God is present in the midst of their suffering.

We know that our own Muslim neighbors here in the U.S. are also experiencing grief and fear. Many will wonder whether it is safe to attend Friday prayers today. These are not the kinds of questions that any of us should have to ask ourselves as we seek to live out our religious commitments. Yet, devastatingly, this is also a reality that binds us together as people of faith. As I wrote last November in the wake of the Tree of Life shooting: “Hate-filled violence knows no bounds – whether a Sikh Temple in Oak Creek, a Christian church in Charleston, a Jewish synagogue in Pittsburgh” – and now these mosques in New Zealand.

Together with our ecumenical and inter-religious partners, we stand shoulder to shoulder in condemning hatred, bigotry, racism and violence whenever and wherever it occurs. We do so because all people are made in the image of God. Therefore, as an act of neighborly love, I urge you to reach out to your Muslim neighbors today and in the days to come to ask how you might offer solidarity and support – joining whenever possible with other ecumenical and inter-religious neighbors.

I leave you with the words of Psalm 16:1: “Protect me, O God, for in you I take refuge.” This is my prayer – for our Muslim neighbors, for the people of Christchurch, and for all who mourn and are afraid. May we see in this devastation the possibility to be Christ’s presence with our neighbors in this world – to be present in their suffering and to be partners in God’s justice and peace.

In peace,

The Rev. Elizabeth A. Eaton  
Presiding Bishop, ELCA

Parents and Grandparents,

Apart from the faith of parents, a recent ELCA study by Dr. Jacob Sorenson finds that a week of Christian Camp is the most important contributor to a child's faith formation to ensure they will continue to be active in the life of the church. The study found that campers experienced real and identifiable changes in their Christian faith during these camp experiences. If you would like more information on the "Effective Camp Research Project," go to [vibrantfaith.org/effectivecamp/](http://vibrantfaith.org/effectivecamp/).

I am convinced that this is true, and we are fortunate that NovusWay Ministries and Agape Kure Beach Ministries offer three outstanding camps right here in North Carolina to help youth grow in their faith- Lutheridge, Lutherock, and Camp Agape. I am writing today to encourage you to send your child(ren) to camp this summer.

I know that there is a huge list of demands on kids' time in the summer. They have sports camps, family vacations, jobs, and so many other options on how to spend their summer. Because we believe faith is important in the development of our young people, though, I hope you will also invest in faith camp for your kids. At Lutheridge, Lutherock, and Camp Agape we have access to three great and diverse programs. Their staffs are full of Christian spirit, and programs are extremely well run and safe. Opportunities are available for youth who have finished grades 1-12. Summer brochures are available in the church narthex, and you can always find more information at [NovusWay.org](http://NovusWay.org) (Lutheridge and Lutherock) and [AgapeKureBeach.org](http://AgapeKureBeach.org) (Camp Agape).

I know that for many families, cost is a major factor. The church wants to help with this. We think it is so important that we will contribute \$200 to the cost of Lutheran camps for any young people who are Holly Grove members. In addition, the Lauren Cecil Youth Endowment is accepting applications from children who are Holly Grove members for an additional \$150 toward Lutheran camp attendance. And beyond all of this, all of the camps have scholarship money available. So there is no need to miss out on camp just because of the cost!

There are plenty of ways your child could spend their time this summer. But there is no more important activity to be involved in than a week of camp where friendships are made and strengthened, faith grows, and leadership develops in significant ways. I hope you'll sign up today! Just turn the registration confirmation in to the church office and we'll make sure we send in \$200 toward the cost. Register now for the lowest rates before the cost goes up!

God's Peace,

Pastor Matt

p.s. Each camp has a Facebook page that is full of pictures to help you get a sense of how wonderful a week at camp can be!
