Church friends and family,

First of all, thank you for the continuous thoughts and prayers following the recent incidents in and around UNCC. I am so grateful for everything that the church has done for me over the past 4 years. Thank you for the scholarship each year, I have greatly appreciated it. Also, thank you to the agape committee for the small favors as well and for all of the love that I have felt from all of you. I would like you all to know that I have accepted a special education teaching position at Waccamaw School at home near North Myrtle Beach and have just moved back home. Again, thank you all for the thoughts, prayers, money, and gifts over the past 4 years as they have never gone unnoticed.

With much appreciation,  
*Lexi Bodford*

## **HOLLY GROVE SENIOR CITIZENS CLUB**

The Holly Grove Senior Citizens Club met May 15<sup>th</sup> with 12 members and 2 guests present.

Carolyn and Charles Cope presented a very entertaining and interesting program on their recent trip to Ethiopia.

The Cope's interest in Ethiopia began when their daughter adopted her daughter from that country. It continued to grow when grandson, Seth decided to do mission work there after his graduation.

Seth went to Ethiopia to work with a group called Make Your Mark where he works with the group that is providing a safe place where the street children (and there are many) can bathe, wash clothes, eat a healthy lunch, get biblical training, basic education, games, and counseling with game and art therapy. The goal is to assist each child to move towards a new life.

Carolyn and Charles made the trip to Ethiopia to see their grandson and explore that region of the world. They presented a slide show giving us a look into how the Ethiopians live and the sights of Egypt where they also spent some time.

The Copes' explained that lack of clean water is the biggest problem in Ethiopia leading to disease and poverty. The Ethiopians must take 5 gallon buckets to get water for daily use. Charles told us of an on-going program for 10 families to band together and dig a well for their needs, with a goal of 10 different family groups to dig 10 wells.

We were treated to an amazing slide show of many of Egypt's great treasures, including the pyramids, museums and countryside.

Carol Varner presented a short program based on Jeremiah 31:3, everlasting love.

Pastor Smith gave the blessing and Carol and Pat Hedrick served a delicious lunch catered by Southern Lunch, topped by pie and chocolate cake.

We will continue to keep several members and their spouses in our thoughts and prayers.

Birthdays before our next meeting are: Janice Abernathy, Matt Smith, Sarah Leonard, Pat Burcham and Virginia White. Happy Birthday to all.

After a short discussion the group voted to make a one-time donation to the Mt. Tabor Back Pack Program.

Our next meeting will be June 19<sup>th</sup> with Brenda Miller and Jan Watkins as hostesses.

# The Holly Dome is open

.....

Anyone interested in helping out Recreation by working in the concession stand, please contact Monica Parsons @ 336-247-1132 (call or text) to schedule your date. Any Monday or Tuesday is currently available in June and July. Thank you in advance for your help.

A note from our Governor Roy Cooper.....

The Lutheran Disaster Response-funded Case Management Team with Lutheran Services Carolinas is still making the news and winning awards while making a difference in the lives of those affected by last year's hurricanes. LSC staff recently received "The Governor's Award for Volunteer Service." A number of individual staff members were nominated for the award, but Governor Cooper wrote that it "was too hard to pick just one so he awarded it to the entire staff. Congratulations to an amazing group of people. Your Governor appreciates you all."

# HGLC APRIL 2019 Council Meeting Minutes

Call to Order: President, Andy Ferguson; 10 plus Pastor present

Devotions: Lynn led us in devotions from Luke 17:11-18 (Expressing Thankfulness); Caroline has devotions next month.

## Approval of Reports

Minutes: Dean moved to accept. Lynn seconded. Motion approved.

Financial Secretary: Sandra moved to accept. Dean seconded. Motion approved.

Treasurer: Max moved to accept. Eddie seconded. Motion approved.

Building Fund: Karen moved to accept. Carey accepted. Motion approved.

## Pastors Report

Men's group discussed updating the roadside signs that direct folks to our church. Also, in the month of March, around 20 people used Google maps for directions to our church and 99 viewed our Facebook page, which is good saturation.

So far this year, Holly Grove has contributed to sending Madilyn and Calvin Blower to Lutheridge and Roseila Sommer to Camp Agape this summer. Reminder that we are hosting a Lutheridge day camp July 1-3 and registration information is available in the narthex.

Reminder that Holy Week begins this week, which is the week that defines us and that people who visit a church usually do so because they are invited by one of us. Services on Thursday, Friday and Sunday.

Vitality survey will take a significant chunk of time to talk about and to decide on where we need to go based on what we heard. Will discuss under new business.

Dean motioned to accept Pastors report, Tim seconded. Motion approved.

## Correspondence

Received a thank you from the NC Synod for Mission Support in 2018 in the amount of \$16,689.96.

Received a statement from AT&T and was passed on to council if anyone would like to review.

## Committee Reports

Reminder that all committees should have met by the end of March.

## Unfinished Business

Kim Payne is working on the Lutheridge Day Camp and asked for ideas regarding the transporting of children on day trips. A congregational workday may also be needed to prepare our facilities for the camp.

Dean has received quotes for HVAC (which is working at the moment) for replacement if and when the system fails.

Blood pressure cuff has been purchased and is situated with the defibrillator.

Karen spoke to a member at Our Saviors about their Blessing Box. It has been a great success for them. After discussion, Karen motioned the building of a Blessing Box at Holly Grove and Max seconded. The information will be given to the Social Ministry Committee for development of this project.

Synod Assembly is May 31 and June 1 at Koury Convention Center. We need 2 voting members from Holly Grove, preferably one male and one female. Pastor will register us prior to April 15 to receive early bird discount and advise the names at a later date.

## New Business

Pastor Matt made a motion that the Lenten Offering (around \$700) be designated equally between GLAMA and the new Blessing Box upstart. Tim seconded. Motion approved.

We have received another donation for the Ramp Fund. Further discussion will be needed at a later time as this is seen as a fairly expensive project.

Next meeting May 13<sup>th</sup> **@6:00 PM**. The first hour will be used to discuss the Vitality Survey.

Motion to adjourn by Max, Lynn seconded. Motion approved. Meeting was closed with the Lords Prayer.

## Congregational Vitality Study Results

A few months ago 41 members of our church community took a survey about our congregational health called the “Congregational Vitality Survey.” The survey was developed by the ELCA and a team of analysts at Baylor University to measure two main things: 1) if a congregation is sustainable (i.e. is it able to keep doing what it’s doing, pay bills, etc.); and 2) if a congregation is vital (i.e. is it doing something for the mission of God in the world). Ideally, congregations would be both vital and sustainable, but as we know, that’s not always the case.

The good news is that Holly Grove came back in the results as both vital and sustainable. This means that in many ways we are on the right track- we’re doing a lot of things right! The results identified several areas where Holly Grove is particularly strong:

- Worship life was identified as joyful, nurturing, and filled with God’s presence
- A strong sense of belonging
- Closely connected community who support one another in times of need
- The congregation is a positive force in the community and to addresses social concerns

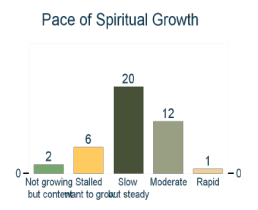

Thanks be to God for the way that the Holy Spirit has nourished these gifts in us! We have been richly blessed, and these strengths give a firm foundation for Christ’s ministry at Holly Grove now and into the future!

As we imagine that future the other very helpful thing the survey does is identify some areas where some growth can set us up for success. The growth edge that was consistently identified was in spiritual development and growth. In fact, almost 20% of respondents indicated that they were stalled or not growing in their spiritual lives. It is true that some of those who responded were not interested in growing their spiritual life, but a larger number, 15% of the total respondents felt like they are stalled even though they want to grow.

We want to do everything we can to help encourage that growth! So we’ve formed a group to look at how we as a congregation can respond. If you are interested in personal spiritual growth or have ideas for ways our congregation can offer opportunities for growth, please speak with pastor Matt and come join the planning group!

Thank you to all those who took time to fill out the survey. The takeaway from responses is that Holly Grove is a congregation in a strong position to continue meaningful ministry! And because we know we want to continue in a strong position, there is some work to be done in the area of spiritual development. Stay tuned for ways we hope to help that happen!

Life is crazy, and your calendar is full! Carve out some time to play and pray together. Families will enjoy regular camp activities while also exploring fun faith-building activities. Kids and adults of all ages are welcome. If they are family to you, they are family to us!

Parents and Grandparents,

Apart from the faith of parents, a recent ELCA study by Dr. Jacob Sorenson finds that a week of Christian Camp is the most important contributor to a child's faith formation to ensure they will continue to be active in the life of the church. The study found that campers experienced real and identifiable changes in their Christian faith during these camp experiences. If you would like more information on the "Effective Camp Research Project," go to [vibrantfaith.org/effectivecamp/](http://vibrantfaith.org/effectivecamp/).

I am convinced that this is true, and we are fortunate that NovusWay Ministries and Agape Kure Beach Ministries offer three outstanding camps right here in North Carolina to help youth grow in their faith- Lutheridge, Lutherock, and Camp Agape. I am writing today to encourage you to send your child(ren) to camp this summer.

I know that there is a huge list of demands on kids' time in the summer. They have sports camps, family vacations, jobs, and so many other options on how to spend their summer. Because we believe faith is important in the development of our young people, though, I hope you will also invest in faith camp for your kids. At Lutheridge, Lutherock, and Camp Agape we have access to three great and diverse programs. Their staffs are full of Christian spirit, and programs are extremely well run and safe. Opportunities are available for youth who have finished grades 1-12. Summer brochures are available in the church narthex, and you can always find more information at [NovusWay.org](http://NovusWay.org) (Lutheridge and Lutherock) and [AgapeKureBeach.org](http://AgapeKureBeach.org) (Camp Agape).

I know that for many families, cost is a major factor. The church wants to help with this. We think it is so important that we will contribute \$200 to the cost of Lutheran camps for any young people who are Holly Grove members. In addition, the Lauren Cecil Youth Endowment is accepting applications from children who are Holly Grove members for an additional \$150 toward Lutheran camp attendance. And beyond all of this, all of the camps have scholarship money available. So there is no need to miss out on camp just because of the cost!

There are plenty of ways your child could spend their time this summer. But there is no more important activity to be involved in than a week of camp where friendships are made and strengthened, faith grows, and leadership develops in significant ways. I hope you'll sign up today! Just turn the registration confirmation in to the church office and we'll make sure we send in \$200 toward the cost. Register now for the lowest rates before the cost goes up!

God's Peace,

Pastor Matt

p.s. Each camp has a Facebook page that is full of pictures to help you get a sense of how wonderful a week at camp can be!
